Season's Top Picks

Discover the best Certified Organic produce of the season

Organic 'Late Lane' Navel Oranges

from Karra Organic Citrus

Karra Organic Citrus' Lane Late Navel Oranges are the perfect way to savour the last of the citrus season.

Ripened slowly under the Australian sun, these premium oranges deliver a vibrant sweetness with that classic navel juiciness and easy-to-peel rind. Naturally seedless and bursting with bright, balanced flavour, they're perfect for snacking, juicing, or adding a refreshing lift to your morning routine.

We should have supply till the end of November, weather permitting!

Organic Kensington Pride Mangoes

from The Keane Family in Dundee Downs, NT

This is our first year stocking fruit from the Keane Family in Dundee Downs, Northern Territory.

With their golden-yellow skin blushed with a hint of pink, Kensington Prides deliver a fragrant aroma the moment they hit our shelves. The flesh is juicy, vibrant orange-yellow, and beautifully balanced: sweet with a gentle tang, and delightfully smooth.

We usually don't have mangoes this early in the year, a welcome surprise!

Organic Seedless Watermelon

from VJ Kalfresh in Kalbar QLD

Nestled in the heart of the richly fertile Fassifern Valley, just outside the township of Kalbar (around 85 km south-west of Brisbane), Kalfresh's operations benefit from some of Queensland's finest agricultural land.

These seedless watermelons are the taste of Queensland summer — crisp, refreshing, and naturally sweet. Grown in the rich soils of the Scenic Rim, each watermelon is picked at peak ripeness for that perfect crunch and deep red, juicy flesh that bursts with natural sweetness — and without a single seed in sight!
